

## IOVU-430S

4.3" TFT WQVGA LCD with resistive touchscreen

## Features

- » 4.3" TFT WQVGA LCD 电阻屏
- » Samsung S3C2416 400MHz CPU
- » 采用 Windows® CE 6.0
- » 内置 Ethernet LAN 和可选 Wi-Fi
- » 内置 CAN-bus 2.0b 和 GPIO
- » 内置 RS-232/422/485 接口
- » 支持 .Net Frame Work V3.5

## Specifications

|                                       |                 |
|---------------------------------------|-----------------|
| 系统                                    | CPU             |
| 板载内存                                  | 128MB           |
| Memory Ext.                           | 128 MB SDRAM    |
| 电源                                    | 电源适配器           |
| 功耗                                    | Max. 7W         |
| 环境                                    | 操作温度            |
| 湿度                                    | 5%-90% RH       |
| 物理属性                                  | 尺寸 (LxWxH) (mm) |
| 净重                                    | 0.6 Kg          |
| LCD                                   | 尺寸              |
| 分辨率                                   | WQVGA           |
| 亮度 (cd/m2)                            | 500             |
| 可视角度 (H-V)                            | 140° / 120°     |
| Touch                                 | 触摸屏             |
| I/O 接口                                | I/O 接口          |
| 1 x WIFI(802.11a/b/g/n)               |                 |
| 1 x Power In(terminal block DC input) |                 |
| 1 x MiniSD Slot                       |                 |
| 1 x LAN(10/100Mbps)                   |                 |
| 6 x GPIO                              |                 |
| 1 x CAN-bus                           |                 |
| 2 x Speaker(1W)                       |                 |
| 1 x USB 1.1                           |                 |
| 1 x RS-422/485                        |                 |

## Ordering Information

|                          |                                                                                                   |
