

## SPXE-11S

IEI Server Grade Backplane Solution, PICMG 1.3  
Backplane for 4U rack-mount chassis

## Features

- » 11-Slot PICMG 1.3 PCIe to PCIe Switch (PLX PEX8724) Backplane,
- » 6 PCIe Gen 3.0 x4 w/ x16 slot, 4 PCI, RoHS

## Specifications

| Physical Characteristics |                            |
|--------------------------|----------------------------|
| Mounting                 | RACK-305G                  |
|                          | RACK-360G                  |
|                          | RACK-3000G                 |
| Dimensions (LxWxH) (mm)  | 311.15 X 327.15            |
| I/O Interface            |                            |
| Expansion                | 6 x PCIe x4 :x16 connector |
|                          | 4 x PCI Slot               |
| Power                    |                            |
| Power Supply             | 24+8-pin ATX               |

## Ordering Information

|              |                                                                                                           |
