

Mustang-V100-MX4

Computing Accelerator Card with 4 x Intel® Movidius™ Myriad™ X MA2485 VPU, PCIe Gen 2 x 2 interface, RoHS

Features

- » PCIe Gen 2 x 2 form factor
- » 4 x Intel® Movidius™ Myriad™ X VPU MA2485
- » Power efficiency, Approximate 15W
- » Operating Temperature -20°C~60°C
- » Powered by Intel's OpenVINO™ toolkit
- » Multiple cards supported

Specifications

System	
Chipset	4 x Intel® Movidius™ Myriad™ X MA2485 VPU
Cooling method / System Fan	Active fan
Physical Characteristics	
Dimensions (LxWxH) (mm)	113 X 56 X 23
Power	
Power Consumption	Approximate 15W
Environment	
Operating Temperature	-20°C ~ 60°C
Humidity	5% ~ 90%
Card Slot Interface	
PCIe	Gen 2 x 2

Ordering Information

Mustang-V100-MX4-R10	Computing Accelerator Card with 4 x Intel® Movidius™ Myriad™ X MA2485 VPU, PCIe Gen2 x2 interface, RoHS
----------------------	---------------------------------------------------------------------------------------------------------

Packing List

1 x Full height bracket	
-------------------------	--
